SKILLS

- C
- C++
- HTML
- CSS
- JavaScript
- TypeScript
- React

LANGUAGES

Bangla · Native

English

PROFILE

CSE student focused on web development and core programming. I build projects with HTML, CSS, JavaScript, TypeScript and React, and keep practising C and C++ to sharpen problem-solving. I am looking for opportunities to learn, build real products and grow with a team.

EDUCATION

B.Sc. in Computer Science & Engineering
Port City International University · 5th Semester

HSC · 2022–2023
Kulgaon City Corporation College
